

Welcome

Welcome to our 2012 pantomime—The Wizard of Oz. We are absolutely thrilled to be performing here at the Keene Hall, and would like to thank the committee and management for welcoming us.

We just know you are going to enjoy the show. I have been a very lucky director this year. The cast have worked extremely hard to put on a memorable show for you. However, what you see on stage is only a part of the story. The crew have been every bit as dedicated in making sure everything runs smoothly (Oh yes they have!)

We would also like to say a big thank you to the committee at Galleywood Heritage Centre for their support and providing such an excellent rehearsal venue. There are too many others to thank on this page, but they can all be found throughout the programme.

Our musical director has put together a great selection of music—both old and new—for your entertainment. Due to copyright restrictions, we are not able to use the original music, but fear not—we have some great replacements. So sit back, relax and enjoy. Don't forget to boo the baddies and cheer the goodies, sing and clap and—most importantly—'look behind you'!

Debbi Flack—Director
