WELCOME

Hello, good evening, and welcome to 'The Snow Queen'. Galleywood Theatre Group (GTG) was founded in August 2010, and this is our first major production. We are delighted that you are here to share this event with us.

There are a number of people to thank for making this production possible, but special thanks goes to Rev Andy Griffiths and the Church Committee, who have been most welcoming and supportive since the beginning.

So, settle back and enjoy your evening. We have had a great deal of fun, and hope you will too. Feel free to boo the baddies and cheer the goodies, and make as much noise as you like.

Debbi Flack, Director

GTG are proud members of NODA

What does NODA do ?

Professional support for amateur theatre:

Founded in 1899 'to protect and advance the interests of operatic and dramatic art, and of societies engaged therein,' our membership goes from strength to strength with over 2,500 society members and 2,500 individual enthusiasts staging musical, operas, plays, concerts and pantomimes in venues ranging from the country's leading professional theatres to village halls.

We aim to:

- Give a shared voice to the amateur theatre sector
- Help amateur societies and individuals achieve the highest standards of best practice and performance.
- Provide leadership and advice to enable the amateur theatre sector to tackle the challenges and opportunities of the 21st
